Puca®

1) Tie 48 DB10 in a circle.

2) Using peyote technique, make 5 rows in all.

3) Make another row with SB11.

4) Make a row with DB11.

5) Make 2 rows using SB15. Pass through the beads and go out through a DB10 (1st row added).

6) Turn your work and add the cabochon.

7) Make a row with SB11.

8) Make a row with DB11.

9) Make a row with SB15.

10) Pass through the beads and go out through the 2nd row of DB10.

11) Pick up DB11 and pass through the second DB10. Repeat this step all around.

12) You will have this. Go out through the DB11.

13) Pick up 1 Piros and pass through the next DB11. Repeat this step all around.

14) You will have this. Go out through Piros (bottom hole). Pick up 1 SB11 and pass through the next Piros. Repeat this step all around.

15) Go out through Piros (top hole).

16) Pick up 1 SB15 and pass through the next Piros (tight the thread). Repeat this step all around.

17) Go out through SB11 (between Piros).

18) Tie 3 SB15 in a circle passing again through the SB11. Repeat this step all around.

19) You will have this.
